Ministry Area

Discipleship Ministry

Position Description:

Discipleship Ministry Interns will be trained in the effective application and implementation of the commands of the Lord Jesus Christ in Matthew 28:19-20; to go and make disciples in all nations, to baptize into the name of the Father, the Son and the Holy Spirit and to teach disciples to observe everything Christ has commanded. We will endeavor to learn to conduct ourselves in a manner that acknowledges the indwelling Christ as the boss of us at all times and in all circumstances.

Discipleship interns will be trained to understand that to be effective in Discipleship ministry; one must not be a novice and in need of “first principle” discipleship themselves. Interns will discover how successful and effective discipleship connects to its purpose by denying self and following Christ. Ministry interns will be coached how to possess a high view of WOG and how to use it and respond to it for; doctrine, correction, admonition and instruction in sanctification so that the follower of Christ will be complete, mature, equipped, and ready for every good work.

Discipleship interns will be expected to role model; spiritual maturity, fruitfulness, and obedience to Christ in all areas of their walk, in and out of ministry assignments. Discipleship interns will be challenged to truly walk by faith and create a culture of intentionality and evangelism around their discipleship ministry, develop unique ability to apply the WOG to life circumstances and be able to view all circumstances as curriculum for sanctification. Interns will learn to count it joy when trials emerge and steward even the most difficult assignments to peace and closure through the power of the indwelling Christ and our assignment to His ministry of reconciliation. Together, we will use scripture, teaching of the Word, intentional fellowship and prayer in order to communicate clearly God's character, His eternal purpose, His will and our proper response to His Gospel Message.

Intern Responsibilities *(Time Allotment: 20-25 hours per week):*
